

Changing your StudentVue Password

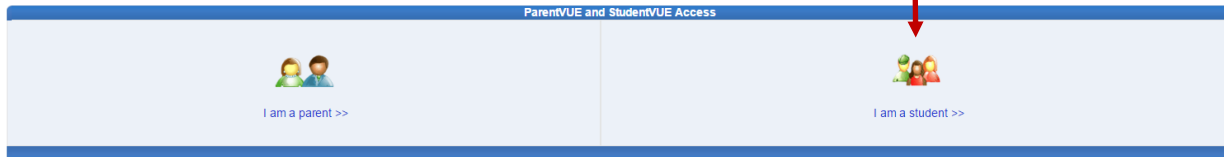

The purpose of this document is to explain how Synergy allows students to logon to their student account and how to update their username and password.

Within the David Douglas main web page is a link to logon to StudentVue:

https://student-daviddouglas.cascadetech.org/daviddouglas/Login_Student_PXP.aspx?regenerateSessionId=True

Select:

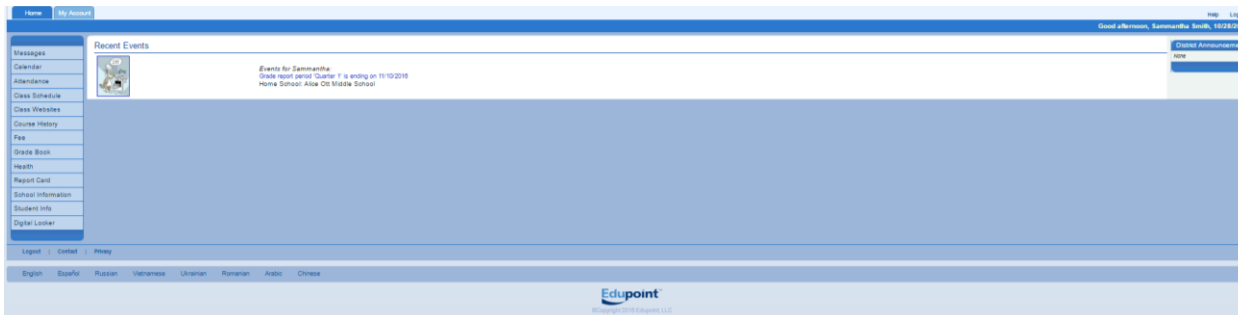

I am a student

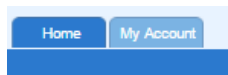

Login

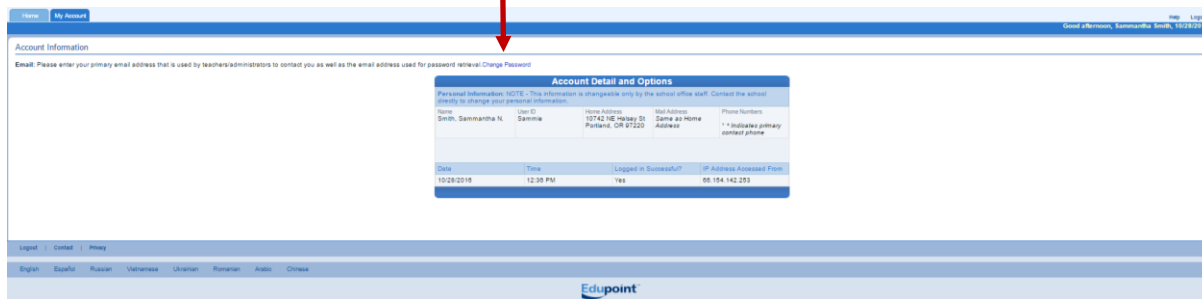

Once you logon your Home screen appears

Click on the My Account Tab

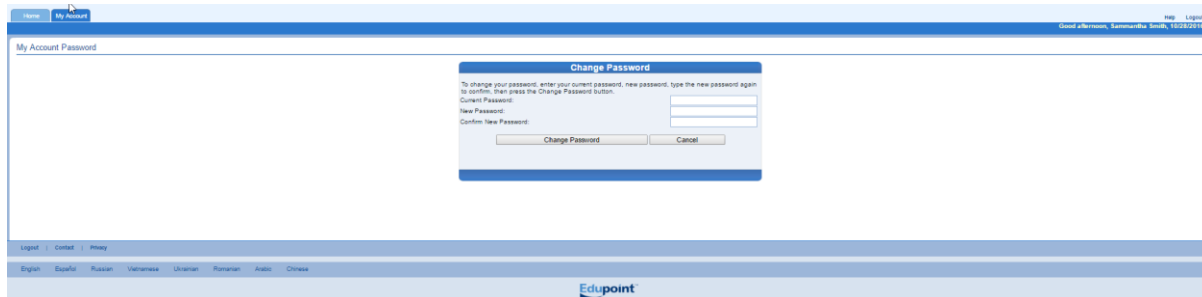

Click on Change Password

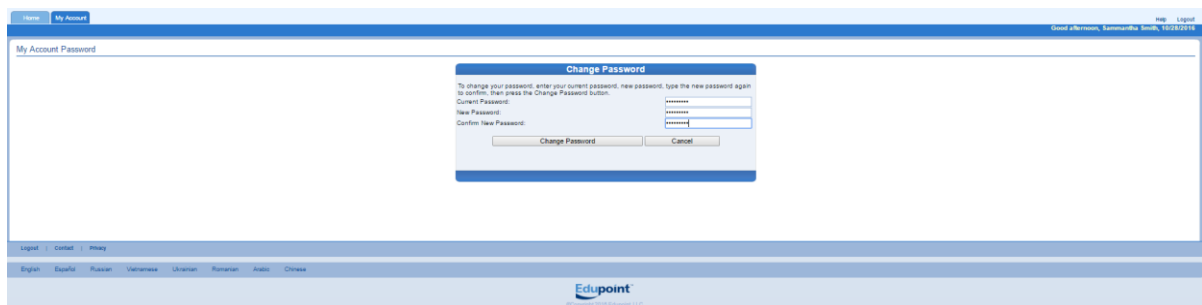

Select your new password

1. Type in current password
2. Type in new password
3. Confirm your new password

Click on Change Password

Change Password confirmed

You will be returned to your My Account screen
