Dear MECP Families and Caregivers,

This afternoon, Governor Brown extended the statewide school closure until Tuesday April 28th, to help contain the spread of COVID-19. This latest news raises many questions for all of us. More guidance will be given to districts and EI/ECSE programs from the Oregon Department of Education in the coming days. We will continue to keep you updated as we hear more from the Oregon Department of Education.

Sincerely,

Lisa Grotting
Director of EI/ECSE
