Subject: Bond Update for General Obligation Levy on the May 2022 election

Our bond development committee has met three times since the last Board meeting. We have approximately 25 members. The most recent meeting reviewed potential bond projects and levy amounts. Committee members worked in groups to decide on three potential package levels.

Jeremy Wright Consulting is working with Ben Patinkin to assist in polling during the week of 11/15/2021. Polling will be testing three bond levy levels at \$85 million, \$120 million, and \$150 million. We expect to share information on polling at the next Board meeting. Our next committee meeting will be November 29th at the Board Room.

In December, we will bring to the Board a recommendation of an OSCIM grant amount for your approval. The OSCIM grant application is due December 15, 2021 for the May 2022 election. As a reminder, the District could be eligible for an additional \$8 million in funding from the state to help support bond projects.

Other deadlines we need to watch:

- February 25, 2022: deadline for filing the SEL 805 Ballot Title Due to Elections Division
- March 17, 2022 : deadline for filing the SEL 803 for Notice of Measure Election Due to Elections Division
