March 18, 2022

Gacaliye Waalid (iinta)/Masuulka,

Waxaad heshay isgaarsiin bishii Sebtembar 2021 oo ku saabsan sharci ku meel gaar ah oo ay ansixisay Waaxda Waxbarashada Oregon ee ku saabsan Adeegyada Soo kabashada COVID-19 ee Gaarka ah ee ardayda hesha waxbarashada gaarka ah iyo adeegyada IEP ee dhaqan galaya illaa sannad dugsiyeedka 2022-2023.

Adeegyada Soo kabashada Shakhsi ahaaneed ee ay sabab u tahay saamaynta faafitaanka COVID-19 waxaa loogu talagalay ardayda kooxda IEP, oo ay ku jiraan waalidka(iinta)/masuulka(yaasha), ay u arkaan inay lagama maarmaan tahay inay wax ka qabtaan waxbarashada aan dhammayn ee la xidhiidha COVID. Saamayntan ayaa laga yaabaa inay sabab u tahay dabeecadda naafanimada ardayga iyo awoodda ay u leeyihiin inay helaan adeegyada waxbarashada gaarka ah inta lagu jiro xidhiidhka dugsiya iyo waxbarashada fog.

Kooxuhu waxa ay dib u eegis ku samaynayaan xogta ku saabsan baahiyaha ardayga gaarka ah ee Adeegyada Soo kabashada Shakhsi ahaaneed sanadka oo dhan, oo ay ku jiraan xogta warbixinta horumarka sida ugu dhow January 28, 2021. Xogtan waxaa loo isticmaali doonaa in lagu sameeyo go'aan ku saabsan baahida Adeegyada Soo kabashada Shakhsi ahaaneed. Waxa kale oo aad heli doontaa Ogeysiis Qoraal hore oo caddaynaya go'aanka kooxda.

Haddii aad xiisaynayso inaad wax badan ka ogaato adeegyada soo kabashada ama aad jeceshahay inaad codsato kulanka IEP si aad dib ugu eegto Adeegyada Soo kabashada COVID-19, fadlan la xidhiidh Maareeyaha Kiis Waxbarashada Gaarka ah ee ardaygaaga. Haddii aadan hubin cidda maamulaha kaysku yahay, fadlan kala xidhiidh dugsiyaaga diwaangelinta ama Waaxda Adeegyada Ardayda ee degmada 503-261-8209.

Respectfully,

Mary Pearson
Agaasimaha Adeegyada Ardayda
David Douglas School District

Waalidiinta ilmaha naafada ah waxay leeyihiin ilaalin hoos timaada ilaalinta nidaamka kuwaas oo laga heli karo mareegta gobolka ee:

<https://www.oregon.gov/ode/rules-and-policies/Pages/Procedural-Safeguards.aspx>

Si aad u hesho caawimada fahamka ilaalinta nidaamkan, waxaad la xidhiidhi kartaa ilahan soo socda:
