

**RESOLUTION TO SELECT
STUDENT ACCIDENT INSURANCE CARRIER
FOR K-12 STUDENTS
FOR 2022/2023 SCHOOL YEAR**

WHEREAS the David Douglas School District administration, with the assistance of Brown & Brown Insurance Agency, the district's insurance agent of record, arranges for a student accident insurance carrier to cover student athletics and activities;

WHEREAS the David Douglas School District does contract to make student accident insurance coverage available for purchase by the parents. This agreement, once a carrier selection has been made, is between the student accident insurance carrier and the parent(s); and

WHEREAS Brown & Brown Insurance Agency has advised that although several carriers offer participant accident policies that would cover students participating in defined activities, the policy offered by Myers-Stevens & Toohey & Co., Inc. is unique because it not only provides coverage for injuries sustained during the policy year, but also provides coverage for sickness that commences during the policy year. Furthermore, the Myer-Stevens program is voluntary, meaning that parents can select coverage based on their specific needs.

NOW, THEREFORE, BE IT RESOLVED the David Douglas School District Board of Directors select the Program from Myers-Stevens & Toohey & Co., Inc. as the student accident insurance coverage available for individual purchase by parents for the 2022/2023 school year.

Submitted for Board Adoption: June 16, 2022
