December 14, 2022

Dear Parents and Guardians:

It is a priority of the David Douglas School District to keep our community up to date on measures we are undertaking to maintain our schools and facilities as safe environments for our students, staff and community members.

Per Oregon law, the David Douglas School District has developed a Healthy and Safe Schools Plan. This plan covers all the District's schools and facilities and is updated yearly. We have enclosed a copy of the 2022 Annual Statement for our Healthy and Safe Schools Plan.

Our plan provides guidance about testing for and mitigating the potential safety issues of Radon gas, lead in drinking water, lead paint and pest management. You can access our Healthy and Safe Schools Plan here:

You can access our testing results for lead in drinking water here (organized by school):

<https://www.ddouglas.k12.or.us/departments/facilities/lead-testing/>

As we get updated for the school(s) your student attends, we will send you more information.

If you have any questions regarding our safety plans or results, please do not hesitate to contact us at david_douglas@ddouglas.k12.or.us or call us at (503) 261-8212.

Sincerely,

Patt Komar
Director of Administrative Services
